## 2018 Birthday Party Packages

"That was the best birthday party, EVER!" — We've heard plenty of kids say that here at The Adventure Park. They know this is an "awesome" place to celebrate their birthday with their family and friends.

Birthday party packages are available for 8-12 climbers. All birthday party packages include a half hour harnessing and safety briefing session, two hours of climbing, reserved picnic tables and a T-shirt for the birthday guest of honor! Food is not included but you can bring your own or contact Heritage Museum & Gardens' caterer for assistance if needed. The Adventure Park does not have a place to store food.

### Birthday Party Rates

Peak Season (July 1 - September 3): \$38/climber

Off Peak: \$35/climber

We will also will have you one free chaperone ticket for an adult 18 or older to use! Depending on the age of your climbers, additional paid chaperones may be advised.

Looking to add a little extra to your birthday party? For an additional \$7/each you can purchase goodie bags! Contents may vary but goodie bags are always sure to have a fun collection of Adventure Park knick-knacks!
